

ANNOUNCING **GLOSSARY OF TERMS**

A SHARED UNDERSTANDING OF THE COMMON TERMS
USED TO DESCRIBE PSYCHOLOGICAL TRAUMA

VERSION 3.0

Common terms used to describe mental health conditions arising from exposure to potentially psychologically traumatic events and other stressors.

PUBLISHING

The **Glossary of Terms 3.0** is published as part of a special issue on PTSD in the Health Promotion and Chronic Disease Prevention in Canada Journal.

+

Hosted on various websites, including CIPSRT, and **shared broadly** by all contributing partners.

LOOKING FORWARD

The Glossary of Terms **will continue expanding** to serve the diverse needs of Canadians.

COLLABORATING

The Glossary of Terms brings together a diverse, multi-institutional, pan-Canadian group of academics, clinicians, and policy makers. Together, we are working towards a broadly accepted set of terms for clinicians, scientists, policymakers, people with lived experience, and the general public.
